Adrian Callipari has been selected to attend the inaugural Brick Masterclass. N34H0403

Brickie a master choice

A ROXBURGH Park bricklayer has been selected to be part of the first Brick Masterclass.

Adrian Callipari, 23, is one of 12 bricklayers to take part in Think Brick Australia's first live-in training program in Sydney next week.

Mr Callipari said construction was the perfect industry for him.

"I've always been the outdoorsy type," he said. His business, Unique Brickwork, employs five other people and is busy on new homes in Hume's north.
